Dear David:

Reflecting back on the excellent programs we have enjoyed at our NAIFA Central Coast meetings over the past year, I would like to again thank you for speaking for our group.

You may be interested to hear that your book Your Health Matters has been a valuable resource for many of our members, and has influenced how many of us interact with our clients.

Your presentation was entertaining as well as educational. It is high caliber speakers, such as yourself, that sustain the level of professionalism, interest, and relevance our club has come to expect and enjoy.

Again, many thanks. We look forward to hearing about your future endeavors.

Warm Regards,
